FULL PROTECTION

The diagram illustrates the features of a protective fabric. It shows a white fabric surface with a blue splash of water on it. Four circular callouts point to specific features: 'Allergen barrier' (green spheres), 'Dust Mite & Bed Bug barrier' (brown mites), '100% Waterproof' (blue water droplets), and 'Breathable outer fabric' (a cross-section of a mesh). Below the fabric diagram is a large, detailed view of the fabric's texture, showing a grid of small, raised, white, dome-shaped structures.

- Allergen barrier
- Dust Mite & Bed Bug barrier
- 100% Waterproof
- Breathable outer fabric
